Directions to our Outpatient Cardiology Suite

We are located on the first floor of the Jigsaw Building. Enter the Jigsaw Building on the ground floor, take the lift to the first floor and immediately turn right. You will see a sign to the main entrance of the Dorset Heart Clinic and once through the double doors please follow the sign to the Dorset Heart Clinic reception. If you are coming from the main hospital entrance, please ascend the stairs or take the lift to the first floor and then walk along the end of the West wing hospital corridor following the signs to the Dorset Heart Clinic Outpatient Clinic. At the end of the corridor turn right and you will see a sign to the main entrance of the Dorset Heart Clinic. You will be greeted at our reception desk and escorted to our outpatient suite.

Directions to our Inpatient Cardiology Suite ("Regent's Park Suite")

We are located on the first floor of the East Wing of the hospital next to Ward 23 within the main cardiology department. From the main hospital entrance, please ascend the stairs or take the lift to the first floor and then walk along the end of the East wing hospital corridor following the signs to the Dorset Heart Clinic. At the very end of the corridor you will see a sign to the main entrance of the Dorset Heart Clinic on the right hand side. You will be greeted at our reception desk and escorted to your private room.
